Finally, an upscale restaurant in Vail that doesn't require three months to get a reservation (yet). Enter **Pendulum**, a modern American dining spot with hints of Latin influence that recently opened in the center of Vail Village. Part of San Francisco's PlumpJack Group, Pendulum offers smooth service, fabulous ambience and an innovative menu full of surprises. Don't miss the blistered padrón peppers, tater tots and caviar, crispy Peruvian octopus and fire-roasted cauliflower head. Summer is a fantastic time to visit Vail (the new, on-mountain **Golden Eagle Zipline** is worth a trip alone). 232 Bridge St., Vail, pendulumvail.com

Home is where the hygge is. Alexandra Gove was clearly ahead of her time when she launched her lifestyle blog **Hygge Life** three years ago. The Danish word for cozy, hygge (pronounced HOO-gah) has become a fast-moving, worldwide trend. "It's all about being cozy and slowing down to enjoy a moment," says Gove, who discovered the movement while living in Denmark and traveling around Europe in a 19
